Dear Colleagues,
Greetings on the forthcoming Civil Services Day from the National Academy of Audit & Accounts, Shimla!

As you know, one of the major objectives of the Academy is to help the Officer Trainees in acquiring professional knowledge and competence as Civil Servants, through in house training, extra-curricular and social activities. Inputs for professional knowledge are imparted through an interactive classroom environment, practical sessions on the working of different organizations & study tours. We also provide opportunities to develop presentation, communication, and public speaking skills.

To develop proper attitudes and perspectives in these young Officer Trainees, we strive to create opportunities for them to interact directly with eminent personalities from different fields, who have made lasting contributions to the society.

In 2021, the Academy had initiated a lecture series named 'Pragyan' by eminent personalities from various walks of life.

In this series, second 'Pragyan' lecture will be delivered by **Prof. Ramesh Chand, Member, Niti Aayog at 11:00 am on 21 April, 2022** at our campus in Shimla. To benefit maximum number of our colleagues and public, this lecture will be streamed live on YouTube on Academy's channel at the link given below.
Topic of the Second 'Pragyan' lecture: **'Issues, Challenges and Way Forward for Indian Agriculture'**.

Link: <https://youtu.be/Dn7HndZnTmQ>

While welcoming you to be a part of audience for 'Pragyan' online, may I request you to share this link with appropriate persons within your social networks and publicise for the benefit of all.

Looking forward for your participation online.
With warm regards!

Yours sincerely,
Kandarp Patel
Director, NAAA
