- Creating database and tables related to the application on NIC Cloud Database Server.
- Uploading the source code of application on the NIC Cloud Application Server.

TERMS & CONDITIONS

1. The vendor should have sufficient experience of similar work, preferably with Government, Semi-Government Agencies.
2. The vendor's developer team may visit this office website to understand the details of existing web applications or contact Senior Accounts Officer/EDP on telephone No. 022-22039680, Extn-325/425 during working hours of the office.
3. The vendor shall depute adequate number of qualified professionals for timely and smooth execution of the project as per the time schedule given.
4. In the event of unsatisfactory performance of particular support personnel, he/she should be immediately replaced by the vendor.
5. This office reserves the right to terminate the contract in the event of unsatisfactory services provided by the vendor or breach of any terms and conditions mentioned hereunder.
6. The quoted rate inclusive of tax and exclusive tax should be mentioned separately.
7. The vendor will at all times adhere to the IT Security and Confidentiality policies of the office.
8. Password shared by the office will be strictly confidential and shall not be disclosed to outsiders at any cost.
9. Modification will be carried out in the test environment and on approval from the user department it will be applied to the production environment. The final signoff will be based on change management successfully implemented in the production environment.
10. The work needs to be completed within 30 days from the date of placing the work order.
11. The warranty/support shall remain valid as per the technical specification for a minimum of one year.
12. If a **Force Majeure** situation arises, the vendor shall promptly notify the Office in writing of such conditions and the cause thereof within twenty-one days of occurrence of such event. Unless otherwise directed by the Office in writing, the vendor shall continue to perform its obligations under the contract as far as reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event. If the performance in whole or in part or any obligation under this contract is prevented or delayed by any reason of Force Majeure for a period exceeding sixty days, either party may at its option terminate the contract without any financial repercussion on either side.
13. The quotation should clearly mention the rate of taxes.
14. The payment is subject to testing, security audit and hosting the application on NIC Cloud server.
15. 100% payment will be made after successful completion of the work.
