## Preface

It gives me great pleasure to forward the Training Calendar 2024-25 of the Regional Capacity Building and Knowledge Institute (RCBKI), Jaipur. The training calendar sets out the training courses- General as well as EDP planned by the Institute to be conducted during 2024-25. The calendar has been drawn up based on training needs projected by user offices and instructions of the Headquarter received from time to time. In designing the courses, participants' feedback as well as suggestions of user offices have been kept in view.

The Institute is bound to adhere to high standards for conducting training courses and evaluating training activities. The Institute is also striving to continually improve the effectiveness of the training delivery methods. It has, therefore, been a constant endeavor of the Institute to adopt a professional approach in the delivery of training programs through continuous review of the course structure, expert faculty engagement and improvement in training methods.

RCCBKI is having ceiling mounted projectors in Conference Hall, Lecture Room and EDP Labs for effective Power Point Presentations. Video Conferencing facility has been installed in Conference Hall. Internet-enabled computers have been placed in Hostel Room for trainees to review video, training materials etc. The institute is planning to install smart class in the lecture hall with upgraded sound system, interactive board and Hi-resolution advanced camera. Institute purchased a DJ sound system for the use in cultural meets during training course as extra-curricular activities.

I convey my sincere thanks to all members of the RAC for their suggestions and valuable guidance for overall improvement of the Institute. I also express my sincere thanks to the officers and staff of this Institute for their sincere and significant contribution for the smooth running of the Institute.

We, in our Institute, would keep striving to make it a true center of training and learning.

**Ramawatar Sharma**  
Principal Director

## **A. Profile**

### **I. Introduction**

The Regional Capacity Building and Knowledge Institute, Jaipur functions with the aim of upgrading knowledge, skills, attributes, and capacities of the manpower of the user offices of the IA&AD to help them perform their functions adequately and with a sense of professionalism. Since its inauguration in February 1986, the Institute has completed 38<sup>th</sup> year of its smooth functioning. The Institute conducts General and EDP courses for Group A, B and C officials of linked offices of Indian Audit & Accounts Department. This apart, the Institute also holds seminars/workshops for IA&AS Officers/Group A and B Officers.

As to date, the Institute caters primarily to the training needs of 22 offices (for General programmes and EDP programmes) located in the states of Rajasthan and Delhi.

### **II. Organizational set up**

The Regional Capacity Building and Knowledge Institute is headed by Principal Director who exercises administrative as well as financial powers as Head of the Department. He is assisted by three Sr. AOs/Core Faculty (General), two AAOs/Core Faculty (EDP), one AAO (Admn), two AAOs (eHRMS) and two AAOs/Core Faculty (OIOS).

Members of core faculty and other staff are appointed on a deputation basis from the offices of IA&AD. While selecting the faculty, persons with proven expertise and aptitude for teaching and research are considered. The tenure of the core faculty is extended subject to their satisfactory performance.

### **III. Methodology of Training**

The basic methodology of training adopted by the Institute is trainee centered. Various methods for imparting training viz. Lectures, STMs, Case studies, Group discussions, Role play, Demonstrations, Presentations, field visits etc. are adopted for effective learning. While following the methodology, general standards of training wherever applicable are followed.
